Lynn Swain, MSc.

TEDx Speaker | Inspirational Business Talks | Keynotes with the Brain in Mind

Lynn Swain 'The Brain-Savvy Speaker,' is an engaging and dynamic business professional with over 20 years of corporate speaking, coaching, and facilitation experience. She is the CEO of Symbiota Leadership Institute and holds a Master of Science degree in the Neuroscience of Leadership from Middlesex University, UK. Lynn shares transformational brain-based insights and techniques to meet current corporate challenges head-on.

Her unique ability to accelerate self-awareness, trust and resilience resonates across diverse industries and audiences. Her compelling life story of overcoming severe adversity, including her childhood in an orphanage and surviving cancer twice, is revealing of how authentically she walks her talk.

Drawing from extensive corporate experience in consulting, executive coaching and leadership development, in addition to her own early leadership success within multinationals like Coca-Cola and Glaxo Pharmaceuticals, Lynn motivates and inspires audiences to build a future with hope, empowering them with brain-based tools to confidently make it happen!
